Office of Diversity, Equity and Inclusion GUIDELINES FOR 2019-2020 FACULTY DIVERSITY PROGRAM

The Office of Diversity, Equity and Inclusion (ODEI) is pleased to announce the Faculty Diversity Program (FDP) for the 2019-2020 academic year. The program is budgeted to provide partial salary support to SUNY state-operated campuses for a limited number of new assistant professor level appointments. The purpose of this program is to advance diversity and inclusive excellence by encouraging the recruitment, retention and promotion of outstanding scholars from different backgrounds, including individuals from groups who have historically been underrepresented in higher education.

Salary support will be provided for three years and distributed annually as follows:

- 2019-2020 – 80% of negotiated salary up to \$80,000 and up to \$5,000 for research & professional development
- 2020-2021 – 75% of negotiated salary up to \$50,000 and up to \$5,000 for research & professional development
- 2021-2022 – 25% of negotiated salary up to \$15,000 and up to \$5,000 for research & professional development.

Faculty appointed under this initiative will be required to submit a written three-year spending plan and itemized budget for an active research program and once approved will be awarded up to \$15,000 to support those efforts. These funds will be disbursed to the campus, and faculty will have up to three years to expend the research support.

The Faculty Diversity Program is highly competitive. Only individuals nominated by the Chief Academic Officer are eligible for consideration. SUNY institutions are strongly encouraged to nominate outstanding scholars who:

- have attained a record of distinction early in their academic careers
- exhibit promise for scholarly productivity of the highest quality
- have a demonstrated ability to work in diverse learning environments.

Conversely, the review process will also take into consideration the department and/or institution's demonstration of commitment to diversity. A brief statement indicating support of the candidate (i.e. mentoring and/or other institutional markers that indicate a level of commitment to the candidate's success) will be required.

A complete dossier will consist of the following documents:

- Curriculum vitae
- Candidate's statement of interest
- Published work or writing sample
- Three reference letters
- Evidence of candidate's ability to respond effectively to the learning needs of students from diverse backgrounds
- Home department/academic unit or dean's evaluation of candidate's academic record
- Chief Academic Officer's recommendation for appointment
- Statement on the candidate's contribution to enhancing campus diversity.

Due to the level of competition and large volume of nominations associated with this program, incomplete dossiers will be disqualified. Applications received after the deadline will not be considered.

Due to budgetary constraints, the Office of Diversity, Equity and Inclusion will only solicit one round of nominations during this academic year.

GUIDELINES FOR 2019-2020 FACULTY DIVERSITY PROGRAM

Institutions will be informed of the results by the award decision date, and only two applications per campus may be submitted. The Faculty Diversity Program is limited strictly to new, full-time, tenure-track appointments at the assistant professor level; existing appointments will not be considered.

TIMELINE

Submission of Applications:	September 5 – November 16, 2018
Deadline for Receipt of Applications:	November 16, 2018
Award Decision Date:	Early February 2019

The state-operated campuses must employ recruitment policies and practices that are in compliance with federal and New York States laws and regulations and are strongly encouraged to solicit applications from qualified women and members of underrepresented groups. Only U.S. citizens or permanent residents are eligible for an award. Disbursement of the award is contingent on the faculty member having completed all requirements for the terminal degree in their discipline prior to the commencement of the 2019-2020 academic year. Campuses are required to reappoint faculty at the end of their initial third-year appointment if their contributions in the areas of teaching, scholarship and service are consistent with the academic standards of the unit in which their line resides.

REQUIRED DOCUMENTATION FOR AWARD RECIPIENTS

The following items must be received by June 30, 2019 in order for funding to be allocated to the campus:

- copy of the acceptance letter
- designation of a campus budget officer as primary contact for disbursement of funds
- a bio and picture of the award recipient
- a written three-year research spending plan from the award recipient.

The deadline for nominations is November 16, 2018. Please mail five hard copies of the dossier to Ms. Barbara Hardman, Office of Diversity, Equity and Inclusion, State University of New York, State University Plaza, T1100A, Albany, NY 12246.
